Introduction:

SMES Mahavir Institute of Pharmacy, Mhasrul, Nashik, organized a Health Check-Up Camp and Blood Donation Camp at Karmyogi Eknath Bhau Jairam Jadhav Sabhagruha, Mohadi. The event was conducted on 16th April 2026 from 10:00 a.m. to 3:00 p.m., offering free health services including general health check-ups, eye checkup, and blood donation opportunities.

We were honored to have our respected guests, the Sarpanch Mrs. Aashatai lahange and the Upsarpanch Mrs. Bhagyashree Jadhav, Prof. Kailas kalmkar, Dr. Chandrakant Patil at our Blood Donation Camp held at Mohadi. They encouraged everyone to donate blood and shared inspiring words about helping others. Their presence motivated all the participants. We sincerely thank them for their support and for being part of this noble cause.

The event witnessed enthusiastic participation from the local community as well as students for the blood donation and generalized as well as eye checkup. The general health check-up was conducted by Mr. Sagar Nikam and his team from synergy Hospital, while the eye camp was managed by team from Birla Eye Hospital.

Coordination support was graciously provided by:

- Mr. Rishikesh Gadkari
- Mr. Sagar Nikam (Marketing Head synergy Hospital)
- Dr. Chandrakant Patil (Seva hospital, Mohadi)
- Trustee members of Mohadi Grampanchyat

Felicitatation Ceremony and Speeches:

The celebration commenced with a special felicitatation ceremony, where Principal Dr. Anil Jadhav honoured all the Guest, doctors, and their respective support teams for their continuous support and dedication to community healthcare. The trustees shared insightful thoughts on the importance of public health and the growing role of pharmacists in society. The doctors delivered informative talks on their areas of expertise, offering practical health tips and raising awareness among attendees. Final year and third year students presented inspiring speeches emphasizing the importance of pharmacy and the vital role pharmacists play in patient care, drug safety, and public health services.

Activities Conducted:

Blood Donation Camp:

A blood donation camp was successfully organized, encouraging active participation from 30+ students, staff, and the local community. The initiative not only helped save lives but also showcased the pharmacist's role in supporting medical and emergency services.

▮ **Health Check-Up Camp:**

A free health check-up camp was held, offering services such as Oxygen Saturation and Blood Pressure testing, Blood Sugar Testing and BMI analysis. These basic health screenings helped raise awareness about early detection and prevention of lifestyle diseases.

▮ **Eye Check-Up Camp:**

An eye check-up camp, facilitated by professionals, offered vision screening and counseling on maintaining eye health. The camp emphasized the pharmacist's role in supporting ophthalmic care and medication adherence.

▮ **Rally and Skit:**

A rally was organized to spread awareness about the importance of blood donation and to remove common superstitions related to it. Students and volunteers actively participated, carrying posters and raising slogans to encourage people to donate blood without fear. A short skit was also performed highlighting the myths and superstitions associated with blood donation. The skit clearly showed that donating blood is safe and can save lives. It helped in educating the public and changing their mindset. Both the rally and skit received a positive response and played an important role in creating awareness among people.

Conclusion:

The Pharmacist Day celebration at Karmyogi Eknath Bhau Jairam Jadhv Sabhagruha, Mohadi organized by SMES Mahavir Institute of Pharmacy, was a meaningful and successful event. Through health initiatives, community engagement, and heartfelt appreciation, the program highlighted the critical role of pharmacists in society. It also served as a strong motivational experience for pharmacy students, encouraging them to pursue their careers with dedication, responsibility, and compassion.
